Why Partner with S.A.U.N.A.

The Society of Asian Urologists and Networked-specialists in the Americas (S.A.U.N.A.) is a physician-led nonprofit organization committed to strengthening healthcare through education, mentorship, research, innovation, and meaningful professional collaboration.

S.A.U.N.A. brings together physicians, healthcare leaders, researchers, academic institutions, industry partners, and community organizations across the Americas to advance the field of Urology. Through year-round educational programs, networking opportunities, mentorship initiatives, and collaborative partnerships, S.A.U.N.A. creates meaningful opportunities for organizations to connect with healthcare professionals while supporting the advancement of patient care.

The Value of Partnership

- **Connect with physician leaders and healthcare decision-makers**
- **Support physician education and professional development**
- **Build meaningful relationships with healthcare professionals**
- **Increase visibility through yearround engagement**
- **Demonstrate commitment to innovation and improved patient care**

Our Growing Community

- **1000+ Healthcare Professionals**
- **10+ Academic & Healthcare Institutions**
- **5+ Educational & Networking Initiatives**
- **Quarterly Mentorship Sessions**
- **Developing Research Opportunities**
- **Annual Community Outreach Initiatives**

**Includes members, advisors, volunteers, and engaged participants.*
